

Sidney Job Service Employers' Committee

Meeting Minutes September 20, 2007

Employers Attending

Leslie Messer Richland Economic Development
Renee Goss Sidney Public Library

Job Service Staff Attending

Vernette Torgerson Coordinator/Manager
Steve Olson Regional Director

Minutes from last meeting:

Minutes were tabled until next meeting.

Treasurer's Report

Vernette read the Treasurer's Report submitted to her by email from Sharon Nelson. Currently we have savings \$608.31 and checking \$3813.75. Vernette mentioned we may consider putting additional into savings. Leslie suggested we look into getting a short term CD we can rollover.

Old Business

Jeanne Bender: Vernette reported we had 36 participants. This gives us a total of \$1295 raised. Our cost will be approximately \$250-\$300. We are splitting the total cost three ways with Glendive and Miles City.

Notary Training: The training went very well. Approximately 18 showed up and the presenter was very pleased.

All seemed happy with the location, both participants and speakers.

Computer classes: Renee gave a brief update that the details of the classes are still being worked out. We discussed the need for beginner, intermediate, and advanced level classes. It was suggested that a pre-registration be used to direct people to the right classes. Also suggested that marketing be done offering examples of the levels of class for the public to pick from. More will be coming on this in the future.

New Business

Tabled due to lack of attendance.
